Welcome to the Group 2 Newsletter!

Welcome commanders to the first Group 2 newsletter! The purpose of this is to show off what we are accomplishing in the group, and to appreciate our members. My current plans are to have this be quarterly. The pandemic was difficult on all of us so let's get back on track. This first issue will be a little light on content, but I hope to have a lot more in the future. Also please feel free to share this newsletter with your squadron.

"You manage things; you lead people"

-Rear Admiral Grace Murray Hopper

I need your articles.

In order to fill up the newsletter I'm going to need articles from all of your squadrons. Let's show off what we are doing, be proud of what your squadron is accomplishing. If you do something you're proud of share it with everyone! I'd like to have at least one article from each squadron for every newsletter. Articles will be due by the 1st day of the 2nd month of each quarter.

Sharing Ideas.

Not all people accomplish things the same way, so let's share ideas. Maybe you have something that works well for you squadron and you think that will work well for others? Or, maybe you have something that you need help with? Let's all work together to make Group 2 have the best squadrons in the Wing.

Quick Tip:

When submitting a special promotion, remember that Part 1 of Level II of the Education and Training Program needs to have completed .
